By Automobile

From the Autoroute, take the Genève-Lac exit.

From the Pont du Mont-Blanc, continue straight on the highway and pass several stop lights. You will arrive at Avenue Pictet-de-Rochemont near the Eaux-vives 2000 shopping center, visible on the right. Continue straight and enter the Route de Chêne, where you will join the tramway lane. At the Gare des Eaux-Vives tram stop take the Avenue de l'Amandolier on the right in the direction toward Malagnou, Champel and the Autoroute. At the top of the avenue with the stop lights, go through the intersection and take the first right: we are located here.

By Train

From the Cornavin train station, take bus no. 27 toward Malagnou. The train stop is under the bridge on the right when exiting the station. Get off the train at the Weber stop (see map opposite).
